

OVERWORKED MAN

Couldn't Get Man to Fill His Place, Had to Keep On. How He Did It.

Saratoga, Cal.—"I am an engineer and overworked so I could not sleep, was tired all the time. I could not get a man to fill my place so had to keep on working. My druggist asked me to try Vinol and it built me up and strengthened me so I feel fine and sleep all right."—Isaac W. Bradford.

There is no secret about Vinol. It owes its success in such cases to beef and cod liver peptones, iron and manganese peptones and glycerophosphates, the greatest body building and strength creating tonics.

We strongly recommend Vinol. Jo Anderson and druggists everywhere. —(Adv.)

Step Lively! Corns Quit With "Gets-It"

The Great Corn-Loosener of the Age. Never Fails. Painless.

Watch my step? What's the use? I go along "right side up" without care, even with corns, because I use "Gets-It," the painless, off-like-a-banana-peel corn remover. I tried other ways before, until I was blue in the face and

red in the toes. No more for me. Use "Gets-It." It never fails. Touch any corn or callus with two drops of "Gets-It," and "Gets-It" does the rest. It's a relief to be able to stop cutting corns, making them bleed, wrapping them up like packages and using sticky tape and salves. It removes any corn clear and clean, leaving the toe as smooth as your palm. You can wear those new shoes without pain, dance and be frisky on your feet. It's great to use "Gets-It."

"Gets-It," the guaranteed, money-back corn-remover, the only sure way, costs less than a penny. It's sold by R. J. Miller, Live and Let Live Drug Co., (Adv.)

THE FLAG FOR ALL

(By Edmund Vance Cooke.)
(Copyright, 1918, N. E. A.)

Red is the blood of America
And from heart to heart is its call,
And its crimson hue flows the whole world through,
For America stands for all.

America stands for all,
Hark to America's call!
America! America! All for America,
For America stands for all.

White is the light of America,
As it beacons our outer wall,
And it sheds its rays through war-worn days,
As its bright light stands for all.

America stands for all,
Shout from her outer wall.
America! America! All for America,
For America stands for all.

Blue is the hue of America
In the bend of its heaven-high wall,
And the world around by that color is crowned,
So it's true blue stands for All.

America stands for all,
From cottage to courtly hall.
America! America! All for America,
For America stands for all.

High in the sky of America
Are the stars which never shall fall,
And as long as they shine let them be a sign
That America stands for All.

America stands for all,
On guard! lest America fall.
America! America! All for America,
For America stands for all.

PRISONERS INCREASED TO 15,000, SAYS BERLIN

Sixty Armored Cars Shot to Pieces, Is Claim—Guns Lost to Allies.

Berlin, Thursday, June 13.—Strong French counter attacks between Roye and Estrees St. Denis have been repulsed, according to the official report from general headquarters today. The number of prisoners taken by the Germans has increased to more than 15,000 and the guns to 150.

Some German guns, it is admitted, have fallen into the hands of the French.

The statement says: "Army group of Crown Prince Rupprecht—The artillery fire revived intermittently. There have been local infantry engagements."

"Army group of the German crown prince—Southwest of Noyon the French launched determined counter attacks in strength on both sides of the high road between Roye and Estrees St. Denis. These onslaughts broke down with the heaviest losses."

"More than sixty armored cars are lying shot to pieces on the battlefield. The number of prisoners has increased to over 15,000. The booty in guns amounts to 150 so far as can at present be ascertained. In warding off the enemy's counter attacks some of our guns, which were advanced as far as the front infantry lines, fell into the enemy's hands."

"North of the Aisne shock detachments penetrated the enemy's trenches. South of the Aisne, after strong artillery preparation we attacked the enemy and threw him out of his lines west of Cury and Domiers and drove him back beyond these places. North of the Ourcq river the Slavians region was cleared of the enemy."

"Repeated enemy attacks northwest of Chateau-Thierry broke down with heavy losses."

"In the last two days thirty-five enemy machines have been shot down. Capt. Bethold and Lieut. Menckhoff obtained their thirty-third aerial victory. First Lieutenant Schleich his twenty-ninth and thirtieth; Lieut. Valtjens his twentieth and twenty-first, and Capt. Reinhardt his twentieth."

The evening official statement from general headquarters says: "On the fighting fronts the position is unchanged. There have been local engagements south of Ypres, southwest of Noyon, and south of the Aisne."

It has proven its value in thousands of cases. It will do so in your case. Get S. S. S. at once and begin treatment. If yours is a long standing case, be sure to write for free expert medical advice.
